

2-DAY DEFENSIVE HANDGUN TACTICS

This course includes one day live fire, up to and including one and two-person tactical movement in a simulated building structure, how to safely navigate doorways without targeting oneself, etc. The second day will consist of various “force-on-force” scenarios, utilizing Airsoft® weapons, including—but not limited to—one and two-person home defense scenarios and situations, such as when accosted with potential deadly force when in an away-from-home urban environment. Students will be asked to sign a Hold-Harmless Waiver with a Statement of Criminal History.

Requirements: Pistol in good working order, sturdy belt, holster, at least 2 spare magazines/speed loaders/speed strips with carriers. For effective defensive use, pistol calibers should be no smaller than 9mm. Eye and ear protection are **MANDATORY** on this range. All Airsoft® firearms, holsters, and protective gear will be supplied by Reed’s. Personal Airsoft® or Simunitions® weapons are not acceptable. No personal weapons of any kind whatsoever will be allowed on the indoor range during the second days’ training. Completion of at least YFA Stage I, Stage II and Stage III handgun courses are a minimum prerequisite for this course.

Fee: \$510.00 Non-refundable
